CREDENT ASSET MANAGEMENT SERVICES PRIVATE LIMITED
(Formerly Known as BCB Capital Advisors Pvt. Ltd.)
NOTES TO FINANCIAL STATEMENT FOR THE PERIOD ENDED MARCH 31, 2022

- 1 Credent Asset Management Services Private Limited ("the company") is a private limited company domiciled in India under the provisions of the Companies Act, 2013. The company was formerly known as BCB Capital Advisors Private Limited.

2 Basis of Preparation of Financial Statements

The financial statements of the company have been prepared to comply in all material respects with the Accounting Standards notified by Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013. The enterprise is normally viewed as continuing in operation for the foreseeable future. It is assumed that the enterprise has neither the intention nor the necessity of liquidation or of curtailing the business operations. The financial statements have been prepared under the Historical Cost Convention on accrual basis.

2.1 Significant Accounting Policies

A Revenue Recognition

Revenues are recognized and expenses are accounted on accrual basis with necessary provisions for all known liabilities and losses. Income from Non-Performing Assets is recognized only when it is realised. Interest on deposits and loans is accounted for on the time proportion basis after considering reasonable certainty that the ultimate collection will be made.

B Taxation

(i) Provision for Income tax is made on the basis of the estimated taxable income for the current accounting period in accordance with the Income- Tax Act, 1961.

(ii) The deferred tax for timing difference between the book profits and tax profits for the year is accounted for using the tax rate and laws that have been enacted or substantially enacted as of the Balance Sheet date. Deferred Tax assets arising from timing differences are recognized to the extent there is a virtual certainty that these would be realized in future and are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date.

C Provision, Contingent Liabilities and Contingent Assets

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made for the current year.

- D Balances of Trade Receivables, Trade Payables and Loans and Advances are subject to confirmation and consequential adjustment, if any.

E Lease

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss Account.

F Foreign currency translation

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of the Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

G Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of accumulated Depreciation and impairment losses. The cost comprises the purchase price and any expense incurred to bring the asset to use. Subsequent expenditure related to item of Property, Plant and Equipment is added only if it increases the future economic benefit from the asset from its previously assessed standard of performance.

H INTANGIBLE ASSETS

Intangible Assets are stated at cost, net of accumulated amortization and impairment losses. The cost comprises the purchase price and any expense incurred to bring the asset to use.

I Depreciation and Amortization

Depreciation on Property, Plant and Equipment and amortization on Intangible Assets is calculated as per Straight Line Method (SLM) basis the useful life of the asset provided in the Schedule of the Companies Act, 2013. Accordingly based on the same, the useful life considered by the management for various class of assets are as under:

<i>Particulars</i>	<i>Useful Life (years)</i>
